Assistant Commissioner for Patents
Washington, D.C. 20231**Response to Office Action and Amendment**

Dear Sir:

In response to the Office Action of December 2, 2002, please enter and consider the following amendments and remarks.

REMARKS

Claims 1-42 are pending. No claims have been amended, no new claims have been added, and no claims have been canceled.

In the Title

Please amend the title to read "A Dynamically Targeted User Interface for an Internet Client".

In the Drawings

The office action states that the drawings were objected to by the draftsman. However, formal drawings were submitted with the filing of the patent application. In addition, no objections by the draftsman were received with the present office action. Applicant requests that a copy of the draft person's objections be provided so that applicant can make any necessary corrections to the current drawings and submit any necessary replacement drawings.
